ADD ON COURSES

ADD ON COURSES

Chandidas Mahavidyalaya runs a number of ADD ON Courses for enhancing the skill, knowledge and employability of the students. All the Add on courses are free of cost.

Admission Process:

At the beginning of each academic year a notification is circulated among the students for admission to the ADD On courses.

The co-ordinator of the ADD ON Courses handle the process of admission.

An initial screening is done to select the students with genuine interest in the course.

Evaluation and Certification Process:

At the end of each course, different modes of assessments are conducted and the successful candidates are awarded with certificates.
