Paper Presentations and other Details:

Main Theme:

Since the dawn of human Civilization all over the world disease exists as well as man's strive to overcome. The disease is also a truth. With the advancement of science and technology, scientists have made a spectacular achievement in the field of medicine. Yet the disease itself changes its form, as at present a horrifying Covid-19 pandemic is shaking all the achievements of medical wisdom. Scientists are fighting day in and day out to curve it, yet to succeed. In Indian context, Veda, Ayurveda and Yoga are a great treasure of medical knowledge. Now it is an imperative part of us to search the corpus of Vedic and Ayurvedic Literature, including Yoga, what assistance, can we gather from them about diseases, its system, cure and its relevance in the present worst-ever pandemic situation of the world in this National Webinar.

- SubThemes:** (a) Vedic sources of Medicine & Cure
(b) Ayurvedic sources of Medicine & Cure
(c) Charaka Sources of Medicine & Cure
(d) Sushruta Sources of Medicine & Cure
(e) Others Ayurvedic sources for human welfare
(f) Others relevant to the theme
