## Teaching Award- 2019-2020

With a view to establish an innovative measure with regard to performance in teaching and students' support and progression by a faculty member in the institute and to bring healthy and friendly competition among them, our institution has introduced an award to recognize **three best performing faculty members** from the **Academic Session-2019-2020** on the basis of **students' assessment/feedback**.

On the eve of the auspicious occasion of the **Teachers' Day on 5<sup>th</sup> September**, these three best performing faculty members had been awarded for their excellence. The institution duly acknowledges their contribution and firmly believes that this award will not only honour the worthy but also motivate all to perform better in the future.

## Best Department Award-2019-2020

The primary aim is to upgrade the over-all quality of teaching and to identify the strengths and weaknesses of the individual teacher through a **faculty evaluation process by the students**. In view of this, the department with the highest average of faculty performance will be given the '**Best Department Award**' and this too has been introduced from the **Academic Session 2019-2020**.

On the auspicious occasion of the **Teachers' Day on 5<sup>th</sup> September**, two departments with tied score had been awarded for excellence. These new initiatives have all been undertaken with high hope that this recognition will enhance educational environment in the college and contribute to the overall development of the institute.
