RESEARCH POLICY

RESEARCH POLICY

Research is the foundation of academic excellence; therefore, research activity of any institution reflects its academic potential. The management of Chandidas Mahavidyalaya is very much concerned and keen to enhance the research facilities and scope of the college to support its faculties and students. The IQAC, Research Committee & Research Ethics Committee together framed a policy for the promotion of research among the faculties and students of the college.

PURPOSE OF THE RESEARCH POLICY

The purpose of the policy is to create a conducive, research-promoting environment for the faculty members so that they can disseminate their knowledge to the students. Moreover, the policy will also define ethical boundaries and guidelines for carrying out research within the Institution. In addition, the policy prioritizes identifying thrust areas of research having influence on the society and the nation as well as supporting the vision and mission of the college.

OBJECTIVES

1. To develop desired awareness and ethical boundaries regarding research.
2. To encourage faculty members to publish research papers and undertake various research projects of social and academic importance.
3. To encourage faculty members to participate as well as arrange various National and International Seminar/Webinar/Workshops.
4. To encourage faculty members to pursue doctorate and post-doctorate research programmes.
5. To inspire students to take part in Seminar/ Workshop/ Webinars.
6. To promote creative writing among the students.
7. To encourage the students to take part in Project Work/ Field Trips.

CUSTODIAN OF THE POLICY

The implementation of the research policy is governed by the Chairperson, Research Council, Chandidas Mahavidyalaya. The members of the Research Committee, Research Ethics Committee and Academic Committee in consultation with the Principal of Chandidas Mahavidyalaya carry out any update or change in the Research Policy.

POLICY AND GUIDELINES

1. To inspire original quality basic and applied research in the fields of science, humanities, commerce and all related and other relevant fields.
2. To establish collaboration with industries and business organizations.
3. To provide financial assistance for publication of research papers/ Books/ Book Chapters as well as paper presentation in Seminar/Webinar.
4. To acquire projects, market surveys and other research activities from other business houses, industries, NGOs etc.
5. To encourage and assist faculty members to apply for research projects from National Funding agencies.
6. To organize various workshops to develop appropriate research skills among the students and faculty members.
7. To assign faculty members to various workshops, symposia, seminars and conferences in their respective fields.
8. To establish suitable infrastructure in the college that will help to undertake different research projects.
9. To undertake all other such activities, which will inculcate research culture in the college.
