FROM PRINCIPAL'S DESK

It is a great pleasure for me to welcome all of the students, aspirants, parents and guardians, and all other stakeholders to Chandidas Mahavidyalaya. At first, I would like to thank all who are visiting our website to learn more about the college. This college was established in 1972 in the rural belt of Khujutipara under the district of Birbhum with a mission to promote higher education among the students coming from backward families in the region and to make them employable in the context of a changing world. In line with this mission, we always remain careful from the moment a young person enters the college to ensure their academic satisfaction and try to give our best to get them prepared in all aspects for the future.

We aim for all the students to take on challenges and be competent in our supportive, safe, and secured environment by developing determination in mind and strength of character, equipping them with the required skills, and also developing all the requisite infrastructural facilities that a rural model college should have.

Our academic activities have been continuing to improve year on year, taking the curriculum as our affiliated university offers it from time to time. Here, we provide a wide range of varieties in the teaching-learning process and also offer many extra-curricular activities to enrich our students' academic as well as social lives.

We keep a constant watch to maintain our valuable relationships among the students, teachers-students, teachers-parents, and among our alumni. Also, we try to maintain a bridge between the college campus and its nearby community by conducting various community development and awareness programs.

Here, I would like to highlight that we are proud of our caring and inclusive ethos and try to set it to high standards to meet the expectations of our students.

I look forward to welcoming all of the stakeholders' assistance and cooperation and thereby ensuring the best possible standard of education along with exemplary discipline in all regards on the campus.

I am sure that our students will always work hard to uphold the dignity of our college. I wish our students all success, especially on behalf of our college family, and I wish the best for all the students getting enrolled in the new session.

Sincerely yours-
Dr. Sk. Ataur Rahaman

A brief history of our college

This college was named after the mediaeval poet of humanity, *Chandidas*. It was founded in 1972 in the village of Khujutipara under Nanoor police station in the district of Birbhum with the motto of imparting higher education to the rural youth.

It grew out of the long-standing desire and struggle of the people of this underdeveloped area for higher education. It was almost impossible for the local students, coming largely from economically and socially backward classes, to attend the college either at *Bolpur* or *Katwa*. Realising their plight and aspiration for higher education, some educationists struggled hard to establish this college, defying all odds, mostly financial. The sapling they planted has now branched out in many directions, blossoming forth with colours and fragrance.

The college has, since its inception, steadily evolved in terms of its human and infrastructural resources. It is affiliated with the University of Burdwan. It breathes the natural air of human relations among students and staff beyond the boundary that prides itself in it. **The college was accredited by the NAAC in 2011 and 2016.**

This college facilitates your to take-up your desired courses to cope with the changing academic scenario in different streams: Arts, Science and Commerce. The wing of NCC, NSS, Games & Sports and Cultural activities oversees and coordinates your entire co-curricular and extra-curricular activities. Career counselling and Placement cell is also ready to provide you with an added advantage alongside your academic pursuit. Recently, we introduced a mentor system to help you grow in regards to your academic, personal, and social lives. The college is going to open up some job-oriented courses free of charge with the technical assistance of and affiliation with NSDC (National Skill Development Corporation). Separate common rooms are also available for boys and girls during leisure periods. A multi-gym facility is also available for the students. Indoor game facilities are available to realize your sports talents. A rich and sophisticated canteen is ready to delight your taste buds.

It's our firm belief that each of you will be confident and successful if you fully utilize the campus facilities.

We are ready to clarify your every doubt. Hence, our advice to you is to contact us for any kind of assistance or clarification.

We regard the students as our heart and soul. We will be the happiest people if your talents and creativity flourish under our guidance and supervision.

We look forward to welcoming you as our students.

FEEDBACK

Following democratic ethos the college has introduced online-feedback mechanism. Students may give their feedback on the performance of the teachers, curriculum, college campus and various other issues and amenities by logging into the website. Parents, Alumni and Employer may use this opportunity through college-website's link and or through off line via drop box put in front of the office. In every year students are asked to put feedback through 'feedback form' (supplied by the college) in respect of their respective teachers' performances and other issues. Feedback 'in respect of syllabus' is also asked from the outgoing students and from Parents/alumni/ employer both through offline(drop box) and Online (college-website's link). All feedback is periodically reviewed and appropriate steps are taken in the respective body accordingly.

MENTOR-MENTEE

The college has initiated an innovative measure in the form of the Mentor system to help and guide students. In each year taking all the students of every class are grouped and listed as mentees and for each group there is separate mentor. The mentors supervise the overall development of students. Beyond the academic matter any mentor counsel for any type of personal, social or economical issue of his/her mentees. They put extra efforts for the weaker students. Advanced learners are taken care of as well.

CAREER COUNSELING CELL

College has separate 'Career counseling and placement cell' with a view to guide all the students to walk in the appropriate academic path. Students are informed about their various opportunities and different examinations inside and outside the college and different courses outside the college. Moreover, they are counseled by outside expert-career counselor to appraise various job markets and the ways to crack them. Some specific teachers take the role of this regular counseling in the separate office.

REMEDIAL AND TUTORIAL CLASSES

Based upon various tests and evaluation measures undertaken by the individual teacher and department students are categorized as 'advanced learners' and 'slow learners' and accordingly Remedial and Tutorial classes are arranged in a systematic way. So with this a slow learner is addressed through college's well established mechanism.

THREE YEAR UNDERGRADUATE COURSE

The three-year undergraduate course has implemented the new Choice Based Credit System (CBCS) introduced by the University of Burdwan since the 2017 academic session.

❖ **Session:** Every year, the 1st, 3rd, and 5th semesters of the academic session—known as the odd semesters—begin in July. Classes for the following semester will begin as soon as the final examination for the previous semester is finished, according University regulations.

❖ **Course of Study:** The B.A / B.Sc Degree course offers B.A/B.Sc. Honours and associated generic elective courses.

❖ **The College offers to teach the following subjects:**

Honours (Arts): English, Bengali, Sanskrit, History, Geography, Philosophy, Political Science and Economics.

Honours (Commerce): Accountancy

Honours (Science): Mathematics,

Generic Elective (Arts): English, Bengali, Sanskrit, History, Philosophy, Geography, Economics, Political Science and Music.

Generic Elective (Commerce): B. Com (General)

Generic Elective (Science): Physics, Mathematics, Chemistry, Zoology, Botany.

Ability Enhancement Compulsory Course (AECC)

AECC 1 : Environmental Studies (Compulsory for all 1st semester students).

AECC 2 : Communicative English/Communicative Bengali (Compulsory for all 2nd semester students).

❖ **Subject Combination Offered**

A student with an honours degree in a subject is required to study two general subjects. General Course students are required to study three general subjects from the list of subjects mentioned above. But it is to be noted that combinations like Sanskrit- English, Pol.Science-Philosophy, History-Economics cannot be taken together. Only one subject among Sanskrit, English and Music can be taken.

OUTLINE OF THE SEMESTER-WISE COURSE STRUCTURE FOR B.A./B.Sc./B.Com. UNDER THE CHOICE BASED CREDIT SYSTEM (CBCS) PRESCRIBED BY THE UNIVERSITY OF BURDWAN

Under the CBCS there are broadly two course structures, i) Honours Course ii) Pass/General Course

The main components of the courses:

Core Course (CC): A course which should compulsorily be studied by a candidate as a core requirement, is termed as a core course.

Generic Elective (GE) Course: An elective course, chosen generally from an unrelated discipline/subject of study with an intention to seek an exposure, is called a Generic Course.

Discipline Specific Elective (DSE) Course: A course which may be offered by the main discipline/subject of study, is referred to as Discipline Specific Elective.

Ability Enhancement Compulsory Course (AECC): These are the courses based on the contents that lead to knowledge enhancement and consist of Environmental Studies & Communicative English/MIL. These are mandatory for all disciplines.

Skill Enhancement Course (SEC): SEC are value-based and/or skill-based and are aimed at providing hands-on-training, competency, skill etc. It will be minimum 2 for Honours Courses and 4 for General Courses. These may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge would contain both theory and lab./hands-on-training/field work. The main purpose of these courses is to provide the students life-skill in hands-on-mode so as to increase their employability.
