FROM PRINCIPAL'S DESK

It is a great pleasure for me to welcome all of the students, aspirants, parents and guardians, and all other stakeholders to Chandidas Mahavidyalaya. At first, I would like to thank all who are visiting our website to learn more about the college. This college was established in 1972 in the rural belt of Khujutipara under the district of Birbhum with a mission to promote higher education among the students coming from backward families in the region and to make them employable in the context of a changing world. In line with this mission, we always remain careful from the moment a young person enters the college to make them happy and try to give our best to get them prepared in all aspects for the future.

We aim for all the students to take on challenges and be competent in our supportive, safe, and secured environment by developing determination in mind and strength of character, equipping them with the required skills, and also developing all the requisite infrastructural facilities that a rural model college should have.

Our academic activities have been continuing to improve year on year, taking the curriculum as our affiliated university offers it from time to time. Here, we provide a wide range of varieties in the teaching-learning process and also offer many extra-curricular activities to enrich our students' academic as well as social lives.

We keep a constant watch to maintain our valuable relationships among the students, teachers-students, teachers-parents, and among our alumni. Also, we try to maintain a bridge between the college campus and its nearby community by conducting various community development and awareness programmes.

Here, I would like to highlight that we are proud of our caring and inclusive ethos and try to set it to high standards to meet the expectations of our students.

I look forward to welcoming all of the stakeholders' assistance and cooperation and thereby ensuring the best possible standard of education along with exemplary discipline in all regards on the campus.

I am sure that our students will always work hard to uphold the dignity of our college. I wish our students all success, especially on behalf of our college family, and I wish the best for all the students getting enrolled in the new session.

Sincerely yours-
Dr. Sk. Aatur Rahaman
(Principal)

A brief history of our college

This college was named after the mediaeval poet of humanity, *Chandidas*. It was founded in 1972 in the village of Khujutipara under Nanoor police station in the district of Birbhum with the motto of imparting higher education to the rural youth.

It grew out of the long-standing desire and struggle of the people of this underdeveloped area for higher education. It was almost impossible for the local students, coming largely from economically and socially backward classes, to attend the college either at *Bolpur* or *Katwa*. Realising their plight and aspiration for higher education, some educationists struggled hard to establish this college, defying all odds, mostly financial. The sapling they planted has now branched out in many directions, blossoming forth with colours and fragrance.

The college has, since its inception, steadily evolved in terms of its human and infrastructural resources. It is affiliated with the University of Burdwan. It breathes the natural air of human relations among students and staff beyond the boundary that prides itself in it. **The college was accredited by the NAAC in 2011, 2016 and 2023 with B+.**

This college facilitates your to take-up your desired courses to cope with the changing academic scenario in different streams: Arts, Science and Commerce. The wing of NCC, NSS, Games & Sports and Cultural activities oversees and coordinates your entire co-curricular and extra-curricular activities. Career counselling and Placement cell is also ready to provide you with an added advantage alongside your academic pursuit. Recently, we introduced a mentor system to help you grow in regards to your academic, personal, and social lives. The college is going to open up some job-oriented courses free of charge with the technical assistance of and affiliation with NSDC (National Skill Development Corporation). Separate common rooms are also available for boys and girls during leisure periods. A multi-gym facility is also available for the students. Indoor game facilities are available to realise your sports talents. A rich and sophisticated canteen is ready to delight your taste buds.

It's our firm belief that each of you will be confident and successful if you fully utilise the campus facilities.

We are ready to clarify your every doubt. Hence, our advice to you is to contact us for any kind of assistance or clarification.

We regard the students as our heart and soul. We will be the happiest people if your talents and creativity flourish under our guidance and supervision.

We look forward to welcoming you as our students.

OUR CAMPUS

Chandidas Mahavidyalaya, established in 1972, is a government aided affiliated college located at Khujutipara in the Birbhum district of West Bengal. It is affiliated to University of Burdwan and teaches arts, science and commerce.

The campus consists of the following buildings:

VISION

- ❑ *To create a model rural college in a changing local and global scenario.*

MISSION

- ❑ *To develop a socially and economically inclusive academic ambience that is maintainable and flexible to adopt any change.*
- ❑ *To promote employability skills in the context of a changing world.*

Library Facility

The college library is easily accessible. The library has open access for all its users. OPAC software and our stack staff are available to help the user search for their required material. It has a good collection of study materials: total number of Books: 23629, Reference Books (CL): 1330, Rare Books: 39. It also possesses well-equipped A.C. reading rooms both for the teachers and the students separately. 03 Computer Terminals are available for internet and OPAC facility for users. The students of the Honours courses may collect three books, and general course students may take two (2) books at a time, but they must return the books within fifteen days. All books must be returned before filling out the form for the final examination. The N-LIST programme has been subsumed under the e-ShodhSindhu Consortium since 2014. All electronic resources subscribed under the N-LIST Programme are available from the publisher's website, and students may use this with the requisite password to avail themselves of the E-Resource facility. Students may consult the librarian for any kind of support in the library if necessary.

**College Library****Library Reading Room****Library Staff****Koha Software Application**

STUDENT'S AID FUND

The college has raised a "Students' Aid Fund" to use as student support for academic excellence. The fund renders financial assistance to poor and deserving students. A student requiring financial assistance shall apply within three months of the commencement of their academic session.

FREESHIP

A limited number of free studentships or half-free studentships are also available to meritorious and deserving students as per the West Bengal Govt. Rules. Only those candidates may apply for these kinds of studentships who have secured at least 50% marks and attended 75% of classes. Students fulfilling such conditions, but who have not received any support from any other source, may apply to the Principal attaching income certificate from the appropriate authority. Qualifying in the test examination and attending regular classes are prerequisites for applying for a free studentship.

SCHOLARSHIP

Every year, a large number of students benefit from government scholarships such as Swami Vivekananda, Kanyashree, and the Talent Support Programme offered by the college. Students are advised to go through the respective website for online applications in due time and in a proper way. Besides these, students may apply to various private organisations for scholarships. The college extends its full support and cooperation for each and every application.

AWARDS

The college offers various types of Awards to the deserving and meritorious students every year. It includes Topper in each Hons., the Best Library User, Good Code of Conduct. So talented students may have the opportunity to achieve it. These Awards are mainly offered in memory of Bhaktipada-Mayalata Roychaudhury, Promathonath, and Kalyan Roy.

NSS & NCC

Willing candidates may participate in either the NSS (National Service Scheme) or NCC (National Cadet Corps) programmes that are held in the college. Through NSS, the students can take part in various social works, for example, Literacy and Adult Education programmes, Blood Donation programme, the observation of various nationally and internationally popular days, voluntary services during natural calamities like flood, droughts, famines, etc. The participating candidates will get certificates, which will be great help in the future.

INCUBATION/START-UP CELL

As a part of Chandidas Mahavidyalaya's commitment towards carving Innovation Ecosystem, an incubation center has been established. The Incubation Centre is designed to accelerate the growth and success of budding entrepreneurs through an array of business support resources and services that could include physical space, capital, coaching, common services, and networking connections.

Aim and Objectives

- ☐ To encourage students and other sections of society to take part in entrepreneurship development through the different awareness programmes.
- ☐ To give a real experience of starting a business unit.
- ☐ To conduct workshops, lectures, industrial visits etc., for improving entrepreneurial skills of students and concerned people.
- ☐ To encourage the leadership qualities and develop the skills like management, risk taking and decision making.
- ☐ To promote students to start new businesses and real experiences of investments, profits and losses arising out of business.
- ☐ To provide information for acquiring financial assistance from government and non-government agencies.

CAREER COUNSELLING CELL

Career Counselling Cell of Chandidas Mahavidyalaya is always on hand to help its students "select the profession they would love." The Cell is crucial in locating work prospects for undergraduate students.

OBJECTIVES

- ☐ To help students create a great future.
- ☐ Raising student awareness of potential job alternatives and assisting them in determining professional goals.
- ☐ To provide job opportunities as well as information on various higher education programmes in India.
- ☐ To find eligible potential employers and assist them in achieving their employment objectives.
- ☐ To serve as a link between students, alumni, and potential employers.
- ☐ Organize campus recruiting for students with reputable companies and business organisations across India.

GAMES & SPORTS & GYM

There are arrangements for various indoor and outdoor games at the college. For indoor games, there is a separate hall for boys and girls with an attached toilet facility. For outdoor games, there is a well-furnished grass court for volleyball and badminton. Annual sports are generally held in the middle of January every year. Students must participate in annual sports organised by the college. 1st and 2nd place achievers In each event, there is scope to participate in the intercollegiate tournament organised by the Education Directorate, Govt. of West Bengal. Apart from these, there are university-level sports, and willing students may participate through the college channel.
