5	2020 – 2021	15.06.2021	Online (Google Meet)
6	2021 – 2022	27.06.2022	Online (Google Meet)

Parent-Teachers' Meeting at the Principal's Chamber (Date: 26.04.2018)

5. Course Outreach

Apart from the field survey cum excursions, the students are taken away for outreach programs to boost experiential as well as participative learning. Teaching-learning in outside of the college campus builds students' interest and speeds up their learning ability. GPS training, landscape identification and others related are parts of these programs.

Course Outreach at Khoai Region (Lateritic Landscape) of Santiniketan, Birbhum.

GPS filed survey in local agricultural field areas

6. Local Area's Drinking Water Quality Testing

The department tests the drinking water quality status of the local areas brought by the students of the department. It creates awareness as well as a service to the society.

7. Movie Club

To promote experiential learning, the department conducts the screening of various movies and documentaries related to geographical study. The details of movies shown in last five years are given below –
