As there is no such suggestion put forward, the last resolutions are accepted unanimously.

**2) Taking stock of the situation**

About one month passed after the educational institution opened. IQAC resolved to take stock of the academic activities going on. It is found that initial hesitation on the part of the students about off-campus academic activities is getting over. They are coming to the classes; but most of them are Honours course students.

Resolved that all possible channels would be used to convince the students to come to classes. Faculty members would be asked to use their online or social media platforms to get connected with the students and motivate them to attend classes. Principal is requested to issue notice to the students in this regard. Student representatives would be taken into confidence.

Principal informs the IAC members that the campus has been sanitized under the instruction of the Higher Education department with the help of local administration.

3) Feedback collection and analysis

Resolved that feedback of the students and other stakeholders was taken for the year 2020-2021. Coordinator with the help of other senior members prepared the report and it will be submitted to the principal.

Resolved that feedback for the year 2021-2022 will also be taken after the semester examination is over.

4) Continuous motivating the students

Resolved that it is the need of the hour to motivate the students for academic activities. They remained out of touch with the direct teaching-learning system for nearly 20 months. They need to be counseled and proper psychological care be given.

Resolved that faculties can use online platforms also if need be.

Resolved that ICT facilities should be extensively used to make the classroom teaching more attractive.

As the examination will be held soon, proper attention be given for their preparation for the examination.

5) Miscellaneous

Resolved that motivational lectures can be organized.

Participatory programmes like cultural competition, students seminar, quiz competition, wall magazine, sports and games, awareness generation programmes should be organized so that the students get motivated and involved.

Resolved that students should be motivated to visit the library more.

Resolved that the IQAC Coordinator will lead to organize the Skill Development Programme and another faculty member will be asked to cooperate in this regard. Dr. Singha Roy informs the members that Skill Development Programme will start this month.

Resolved that covid protocol is still to be maintained till the government orders otherwise.

As no other issue to discuss, meeting ends with thanks to the chair.
