

Students Free ship & Students Credit Card

Student's free ship: It is financial aid programme to motivate the students to pursue education. In the aided college there are lots of scholarships/stipends for the meritorious students by the Govtt. In addition to this college has own mechanism **to exempt free of tuition fees** of some students who unfortunately missed Govtt. scholarship but meritorious and belonging to underprivileged family. Every year applications are invited from amongst the students with supporting documents. All are then scrutinized in the meeting of the Academic sub Committee and finally resolved. The deservers are then advised to submit their own bank account and the amount of exemption is electronically transferred. During last few years nearly 200 students have been awarded by such initiatives.

Students Credit Card (SCC): This is quite Govtt. initiative where any student enrolled in higher education below the age of 40 years can apply. It is pilot project of the Govtt. to boost higher education through financial support to the students who needs bulk amount of education cost but unaffordable to them. In this scheme education loan of up to Rs. 10 lakh through bank with a simple interest of 4% p.a is available and there is no need of any kind collateral. Govtt. it self is guarantor in such type of loan This is very laudable scheme for the students who actually suffer to maintain education cost but meritorious.
