

NSS OF THE COLLEGE

National Service Scheme (NSS) is a part of the Ministry of Youth Affairs & Sports Govt. of India. First it was launched in Gandhiji's Birth Centenary Year 1969, in 37 Universities involving 40,000 students with the primary focus on the development of personality of students through community services. Our College has a very active NSS wing with two units (I&II), with 100 volunteer of each. Both the units perform laudable activities with NSS volunteers in the campus as well as beyond the campus and thereby it helps them to be future responsible citizens. The NSS units organize Regular Camp involving NSS volunteers and sometimes motivating other students and staff to get involved. Special Camp is organized beyond the campus in cooperation with local youths and other offices. All these programmes include cleansing drive in the campus and at the neighborhood community, Health awareness camp- Thalassemia checkup, Cancer awareness, AIDS awareness, Dengue and Malaria awareness Health Check up, Pulse Polio Immunization etc. Apart from these Blood Donation Camp, Observance of many important days- World Environment Day, World's Aids day, Anti leprosy day, National Integration Day etc. are also organized in a planned way.

Now Unit Programme Officers are Prof. Koushik Roy (Convener of unit-I)) and Dr. Subhajit Mondal (Convener of unit-II)
