- **Brief Report of the Program –** Chandidas Mahavidyalaya NSS Units (I & II) organized a very important seminar cum program titled by "SAVE THE GIRL CHILD" with the association of Nanoor Block Health Department. It was a seminar cum Gender Sensitization and equality Program. The program was inaugurated by our Principal Sir by giving such important thought about the girl child. The Resource Person from Nanoor Block Health Department has delivered the current data of negligence of girl child in our Nation. Even in today's modern age, women or girls are being neglected even before birth. As a result 1:1 ratio made so far. This is a curse of our society. To get out of this narrow thinking, we need consciousness, need discussion, we need to think more. And for that is seminar was great successful. More than 300 students were participated in this program.
- **Outcomes of the Program –**
 - A feelings has been instilled to the participants that both boys and girls are needed in the society
 - Students were aware about the present scenario of society and they could be aware for next generation.
