- Brief Report of the Program – A Special Seminar held in the eve of International Women's Day. The main theme of the Seminar was "Women Empowerment and Right to Education". Dr. Mahammad Ali, Ex Naval Oficio and external member of the Vishakha Committee of our college was the Key Note speaker of this seminar. He has delivered a motivational speech for students. In educational institutions, gender inequality has been experienced. Girls have been discriminated against in terms of various aspects as compared to their male counterparts. Gender inequality in education is regarded as the major impediment within the course of overall progression of the system of education.
- Outcomes of the Program - Our College students have emerged about the disease and the cause factor. They could be conscious and take care to prevent from the disease by their better capacity. For that this was a best practice held about the health awareness program.
