Brochure of Career Counselling & Placement Cell

CAREER means : Commitment Ambition Responsibility(quality) Education Environment Research.

The career is an individual's metaphorical "journey" through learning, work and other aspects of.....

A career is the job or profession that someone does for a long period of their life.

...

Career Counselling:

Career counseling helps you choose a career field based on your qualifications and interests. The choice of a right career can fulfill not only your dreams but you can become whatever you want to be in life.

The Art of Scientific Guidance

Idea of Childhood

After Childhood

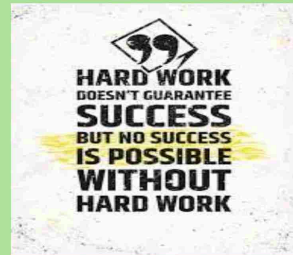

Mature Brain

Present Situation.....Where are You ?

Outcome from this situation.....

The backbone of **success** is hard work, determination, good planning and perseverance- Mia HMM
