Clarification in respect of Geo tag photos in support of Environmental promotional activities conducted by the college beyond the campus

Pertaining to the SOP and subsequent query raised in the process of DVV to submit Geo tag photos of all promotional activities undertaken by the institution (NSS and other wing) it is clarified that **before the year 2021-22** there was no where asked for Geo tag photos in favour of any activity. **Only in the year 2021-22 it has been asked.** So before the year 2021-22 all photos have been certified by the Head of the Institute (HOI) with mentioning ***the name of the activity, date and place*** etc. in caption. But from the year 2021-22 all photos have been taken in geo tag and accordingly submitted here with.

So this bonafide clarifications in the absence of Geo tag photos before 2021-22 may please be taken into consideration and oblige.
